## **Re: Designation of Essential Services Vendor**

To whom it may concern:

National Mortgage Field Services is aware that authorities may have ordered all non-essential businesses to close. However, the holder of this letter, accompanied by an NMFS work order, is providing essential services to maintain the safety, sanitation and essential operation of residences and businesses and is therefore authorized to perform said services for the duration of the Covid-19 event.

These recurring services are critical to the safety and security of the designated property to prevent damage, discourage crime, reduce neighborhood blight, and stabilize property values. Services include but are not limited to property inspections, critical repairs, yard maintenance, door and window repair and securing.

Verification of this person's status as an approved vendor may be made by contacting NMFS at (903) 267-1767 and indicating the need for Work Order Verification. Verification is available daily between the hours of 7AM and 7PM Eastern Time.

Thank you for your assistance.
